

HD Pipe/Hose Rack

Self Centering Stacking Cones

Pinnacle Manufacturing's HD Pipe/Hose Racks are designed for the heavy duty industrial environments you work in everyday. All construction 1/4" Carbon Steel or heavier. The racks will help you to safely and efficiently manage job site inventory and prevent pipe damage. The built in fork pockets and self centering stacking cones will make transporting and storing pipe easier. Conveniently located tie downs will help secure the racks to flatbed trailers.

Available sizes are 4 ft by 8 ft and 4 ft by 18 ft.

Built in Tie Downs
